

Gene-o-gram / Homework

The purpose of this assignment is to:

- * Differentiate you and your ancestors
- * Increase your understanding of the influences ancestors have had on you
- * Develop clarity between ancestral influences and possible twin presence.

The Assignment:

1. Sit with your ancestral chart, family stories and old family photos.
Get quiet.
Pay attention to what you are attracted to.

2. Notice patterns that seem to appear.

3. Write about people and patterns that spark your interest or who seem to have had influence on your life.

Include the gene-o-gram chart and important pictures.

• BRING YOUR WORK WITH YOU TO THE NEXT MODULE.

• YOU WILL USE IT DURING AN EXERCISE THE FIRST DAY OF THE MODULE.
