Tara Blasco, PhD, RCST®

BIRTH RESOURCES

Childbirth Connection

The set of links most helpful to mothers, families and professionals is the link from Childbirth Connection. This is an amazing resource. See:

www.childbirthconnection.org join this website and go to the “For Health Professionals” section. Get to know the whole website.

National Vital Statistics Reports

Births: Preliminary Data for 2007

VACUUM EXTRACTION (VE)

Life & Health Library 1995 by Sue Ann Smith, Patricia L Jett

Subgaleal Hematoma

<mailto:http://connection.ebscohost.com/c/articles/9601024350/subgaleal-hematoma-need-increased-awareness-risk>

CIRCUMCISION (CIRC)

Of all the circumcision links available the two below are my favorites. Marlyn Milos the founder of NOCIRC is a personal friend and an instrumental contributor to ATLC (Alliance for Transforming the Lives of Children).

www.nocirc.org/

www.circumcision.org/

Circumcision Opponents Use the Legal System and Legislatures

<http://www.nytimes.com/2003/01/23/national/23CIRC.html?todayshadlines=&pagewanted=print&position=top>

Worldwide Circumcision average 30%

US Circumcision average 56% 2005

CESAREAN SECTION (CS)

US national average for CS births in 2010 was 32%.

<http://www.nytimes.com/2010/03/24/health/24birth.html>

Later in 2010, NYT reports US national average for CS births begins to decline

<http://well.blogs.nytimes.com/2010/08/17/u-s-circumcision-rates-on-the-decline/>

32% of all births in California are CS April 2010

<http://www.theunnecesarean.com/blog/2010/4/9/california-cesarean-rates-by-hospital-2008.html>
