

Readings for M5 Surgical Imprinting

The three texts, Oxorn-Foote, Reeder (Maternity Nursing) and Miles (Midwifery text) have chapters and sections devoted to the subject areas for the next module. They are easy to find.

If you like to read, you can prepare for the next module by reading the sections with the following headings:

- **Forceps deliveries**
- **Caesarian Section**
- **Vacuum Extraction**
- **Circumcision**
- **Episiotomy**
